COFFEE CLUB PROGRAM:

The Strawberry Patch offers a special program for repeat customers. As a reward for monthly purchases, customers receive 10%-20% off each purchase. This incentive continues each month as long as the business organization or individual remains current in the program. The more you purchase, the more you save.

The advantage of joining is a reduced price regardless of volume purchased, and becoming a preferred customer means coffee is ordered specifically for your order ensuring the absolute freshest coffee with almost no chance of a backorder as your order is forecasted in advance with our roasters.

Customers may change their orders as often as they wish. There is no minimum size per monthly order to stay in the program. Customers need only purchase a single item from the Strawberry Patch by either by automatically generated order, or online purchase each month to remain in the program.

Customers remaining in the program for more than 6 months receive additional discounts and free coffee depending on the size of their orders.

To enroll in this program call or email the store at (800) 270-7984 or Email: info@strpatch.com and one of our staff will fill out an order form for you or your business and issue you a control number that you will use with your future purchases. Most clients request that we ship on the first working day of each month as part of the program to ensure the fastest delivery of the freshest possible coffee; however, customers may select a specific day to receive their order or order anytime they wish as long as it is within the calendar month.

I appreciate your business, and if there is ever anything we can do for you, please let us know.

Most Respectfully,

Jim Ruesch

How Do I Begin?

Place your first months order either online or by phone (800) 270-7984. If online, please Identify that you are a Coffee Club member in the remarks block provided in the shopping cart.

Next, you will need to send us the order form by either Scanning it and then via email, or send it to us by conventional mail. You can also email the information on the form to info@strpatch.com if you wish, but you will still need to call in order to provide us with your credit card information. Please, do not send credit card information via email or conventional mail as these methods are not secure.

To order online, Visit www.strawberrydirect.com, and click on the coffee box. Select either Regular or DECAF, and then select the flavor you would like. Don't forget to select Whole Bean coffee or Ground Coffee. Complete your order by provided shipping and payment information.

If you have any questions, please don't hesitate to call us.

Most Respectfully,
